SCHEDULE

DETAILED DESCRIPTION OF HEADSTONE/MEMORIAL or DETAILS OF THE PROPOSED IMAGE/INSCRIPTION TO AN EXISTING MEMORIAL

(If the Petitioner is seeking to remove an existing memorial please give full details of the reason for so doing in addition to details of the new proposed headstone. If the person seeking to remove the existing memorial is not the person who installed it please state the name and address of the person who installed it and state whether they have been consulted about the proposals)

NOTES

1. You must set out full details of the headstone/memorial to be erected including the type of stone, measurements and lettering and the Petition should be accompanied by relevant drawings/photographs. This also applies to the addition of images/inscriptions to existing memorials. It would be helpful to have photographs of the memorial and that part of the churchyard showing its position in relation to the church and any similar memorials also in the churchyard.
2. All documents lodged with the Petition will be retained in the Registry after the issue of the Faculty.
3. Any Faculty granted on this Petition can only authorise works or purposes which are clearly included in the schedule.

If there is any further information the Petitioner(s) would like taken into account this should be set out in an accompanying statement or letter. This should include the relevance to the deceased of any proposed inscription or carved image or logo.

The Statements in this Petition are true to the best of my knowledge and belief of each one of us.
