October 2017

*'At the evening of the day, we shall be judged on our love.'* St. John of the Cross

Ultimately – and I use that word advisedly – all that matters is love. We may do all sorts of wonderful things in and through and for the Church, but if these things are not motivated by love, what value do they actually have? The best known words of St Paul in 1. Corinthians 13 remind us of this in no uncertain terms. Whatever spiritual gifts or prowess we may have, or imagine ourselves to have, whatever feats of sacrificial giving we may undertake, if we do not have love, Paul tells us, we are nothing, we gain nothing. Above all else, it is love, not 'success' or activity, or numbers that authenticates Christian life. This love, in turn, will generate deeds of

love, and will attract others. St John writes 'By this will everyone know that you are my disciples, if you have love for one another.' 1 John 13.3.

A retired Bishop I know was visiting Mother Theresa in Calcutta. At that stage he was involved in the training of mission partners. Just before he left Mother Theresa he asked her 'What shall I tell them, when I go back?' She answered 'Tell them to love one another'. It is the quality of our relationships with God, with one another, with our neighbours, including especially the strangers, that will communicate the reality - or otherwise – of the love of Christ in us.

As von Balthasar writes 'In our missional engagements – others are drawn to Christ through us, only if we love that other person.' So let us pray that we may grow up more fully into the love of Christ and so express that love to others. This surely is the heart-beat of God's mission.

+ John

## Warwick Poppies 2018

A campaign to gather thousands of handmade poppies to make a fitting tribute to those who lost their lives in the First World War has been launched at St Mary's Collegiate Church in Warwick. Set up by a small group of St Mary's congregation members, the year-long Warwick Poppies 2018 project aims to gather as many poppies as possible to create a stunning display throughout October and November 2018 to commemorate one hundred years since the end of the First World War.

In January 2017, the Warwick Poppies 2018 committee came together and started planning and fundraising for the official launch of the project which successfully took place at a gala event on the 5th September at St Mary's. The patron for the project, the Lord Lieutenant of Warwickshire, Tim Cox, spoke at the event and around 150 guests were treated to an amazing visual display that illuminated the walls and pillars and shone poppies onto the ceiling.

The poppy display will be in place for the High Sheriff's Service, the Regimental Service, Warwick Victorian Evening and the Christmas Tree Festival in 2018. There will also be a gala dinner to celebrate the installation of the display in October 2018. Members of the public visiting the display will be invited to donate to the Royal British Legion Poppy Appeal and Church funds.

The Warwick Poppies 2018 committee is encouraging church congregations, school children, craft groups and individuals to donate poppies. The poppies can be knitted, crocheted or made using felt. When finished, the poppies can be dropped off at 'Poppy Drop Stations' in Warwick, Leamington, Kenilworth and Coventry. Members of the committee are also available to come to talk to groups about the campaign and the significance of poppies.

# Light and Bright Party at St Paul's, Leamington

The 31st of October is commonly a day associated with darkness. Many children and young people across the country dress up as ghosts, vampires and witches to knock on the doors of people in their neighbourhood and ask for sweets. However, several churches offer an alternative to this day of darkness by hosting light parties.

The Light and Bright party at St Paul's, Leamington welcomes over a hundred and fifty primary aged children and their families every October 31st. A number of craft tables and activities are set-up around the church, including an inflatable obstacle course (which always proves to be very popular!). Whilst the children are taking part in the activities on offer, there is tea and coffee available for their parents and guardians. An hour into the evening, the children gather to sing a couple of lively worship songs and listen to a talk about Jesus overcoming darkness and being the light of the world. The evening concludes with a party tea of sandwiches, sausage rolls, cake and biscuits.

The Light and Bright party is always a highlight in the St Paul's calendar. The evening offers the opportunity to welcome children and families who have never been to church before and tell them about Jesus. The children always have a great time and leave with a party bag full of the crafts they have created and knowing more about Jesus' love for them.

St Paul's Light and Bright party will take place on Tuesday 31st October from 5 to 7pm.

# Welcome to the Reverend Jo Parker

St Mark's, Leamington recently welcomed a new Vicar. The Reverend Jo Parker was installed by Bishop Christopher on the 6th September. Here Jo shares a little bit about herself.

*It is great to have landed in Leamington Spa, after 6 years working in a Hyde in Greater Manchester and 4 years of curacy working in 9 rural parishes across the Yorkshire Wolds. Leamington is very different and this new phase in ministry feels both exciting and challenging. As a family we have been warmly welcomed by the church family and by our neighbours.*

*We first discovered Leamington when we came down each year for the Bible Week with New Frontiers, some years ago now, and more recently visiting our son who is studying Physics at Warwick University. We hadn't expected to find ourselves living and working here but it is awesome how God prepares the way for us.*

*Much of my working life has been spent as a Nurse and Midwife, working mainly in Neonatal Intensive Care and latterly working in HR and Training before taking up my curacy. It is all change in the household as our younger son is off to study Psychology at the University of York so it will just be Ian and I (and the cat, Ron) in a couple of weeks. There is so much to build on at St Mark's and we are looking forward to developing our work with families and young people and together developing a vision for New Milverton.*

Please pray for Jo, her family (including Ron the cat!) and everyone at St Mark's as she starts her ministry in Leamington Spa.
