

Natural Church Development Survey Incumbent/Facilitator's Form

Please read these notes carefully!

1. This form is to be completed by the incumbent/priest-in-charge for EVERY church or congregation completing a separate survey. If more than 1 survey, questions 15 to 20 need only be completed on ONE of these forms. (They should also complete the full participant's survey form for each separate survey.)
2. In an interregnum this form may be completed by a churchwarden or assistant clergy person - in this case irrelevant questions should be left blank.
3. Most of the questions on this form are mandatory because they provide basic contact and demographic information. It will not be possible to process your NCD Survey without this information.
4. Keep a copy of this form for your records as it will be a helpful reference when completing your next NCD Survey.
